A large rectangular frame containing 10 simple line drawings of frogs. The frogs are arranged in two columns of five. To the right of the frame is a vertical column of 10 empty rectangular boxes, intended for coloring the frogs.

A large rectangular frame containing 10 simple line drawings of bees. The bees are arranged in three columns: one column of three bees on the left, one column of four bees in the middle, and one column of three bees on the right. To the left of the frame is a vertical column of 10 empty rectangular boxes, intended for coloring the bees.
