

Il mio giardino, in primavera, è

bellissimo!

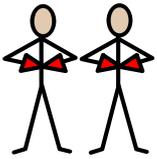

Io

lo

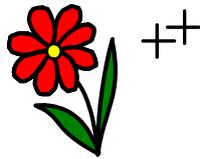

adoro!!

Ci

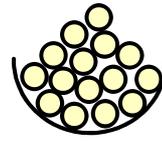

sono

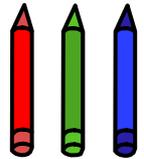

fiori

di

tanti

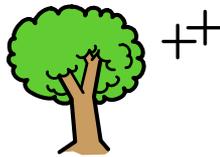

colori

e

gli

alberi,

verdi

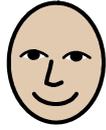

verdi,

fioriscono.

A me

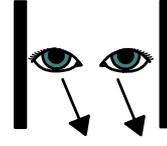

piace

stare

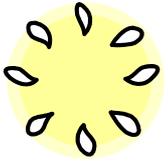

a

guardare

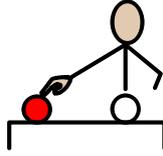

la

bellezza

di

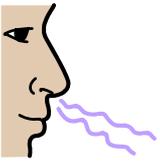

quel

panorama

e

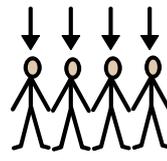

odorare

il

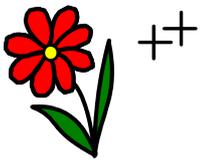

profumo

di tutti

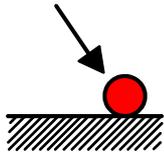

quei

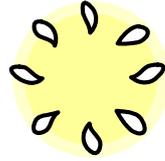

fiorellini

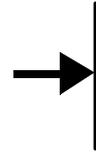

Rimango

lì

incantata

sino a

quando

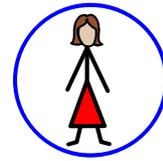

la

voce

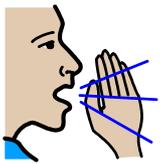

della

mamma

mi

chiama

per

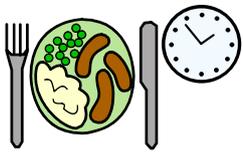

dirmi

che

è

ora di cena.
